

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA**

UNITED STATES OF AMERICA,

Plaintiff,

VS.

RAYMOND KUDERA,

Defendant.

8:13CR387

ORDER

This matter is before the court on defendant's unopposed motion to continue trial [25]. Counsel recently receive expert information. The information from government's experts needs to be presented to defendant's expert and then reviewed with defense counsel. The court finds good cause being shown and the trial shall be continued. The defendant has complied with NECrimR 12.1(a).

IT IS ORDERED that the motion to continue trial [25] is granted, as follows:

1. The jury trial now set for October 28, 2014 is continued to **January 6, 2015.**

2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and January 6, 2015**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel for the defendant the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED October 17, 2014.

BY THE COURT:

s/ F.A. Gossett
United States Magistrate Judge
